Parliament Committees

- The tasks and competence of the committees are specified in the Constitution of the Wielkopolska Region (consolidated text Official Journal of the Region of 2018, item 8635).
- The Committee is obliged to help the Regional Parliament in its works. For this purpose, the Regional Parliament appoints standing and ad hoc committees. These are subordinated to the Regional Parliament and present it with framework work plans and reports.
- Committees are composed of the members of Regional Parliament exclusively, and their Chairs and Vice-Chairs are chosen by the Regional Parliament.
- Committees work during meetings subject to a framework action plan adopted by the Regional Parliament. Meetings may be attended by other invited persons. Minutes are prepared after each meeting.
- All settlements during committees' work are agreed upon by means of a voting in the presence of at least half of the committee members in an open ballot. Only committee members are entitled to vote.
