Certification and Reclaim Bureau

- The Certification and Reclaim Bureau performs the tasks of the Board of the Wielkopolska Region as the Managing Authority acting as the Certifying Authority of the Wielkopolska Regional Operational Programme for the years 2014-2020. In this area, the Bureau's basic function is to draw up and submit to the European Commission applications for payments and statements of expenditure in line with the applicable rules and regulations. These tasks are managed solely by the Director of the Bureau.
- The Bureau is responsible for matters related to the process of debt recovery from beneficiaries of the operational programmes under 2007-2013 and 2014-2020 financial perspectives; It provides services in this field to the Department of Regional Policy, Department for Implementation of the Regional Programme, Department for Implementation of the European Social Fund, Department for Rural Development Programmes and Regional Labour Office in Poznan. The Certification and Recovery Bureau also performs the tasks of the Board of the Wielkopolska Region acting as the Managing Authority of the Wielkopolska Regional Operational Programme related to the financial management of the Priority Axis 10 under the financial framework for the years 2014-2020. These tasks are managed solely by the Director of the Bureau.
