## The Department for the European Social Fund Implementation

The major task of the Department for the European Social Fund Implementation in relation to the Wielkopolska Regional Operational Programme for 2014-2020 is to participate in elaboration of procedures of its implementation, in monitoring, in preparation of financial statements and forecasts, as well as cooperation in this respect with the Regional Policy Department, the Department of Control, the Department of Finance, the Internal Audit Office, the Law Office, the Funds Management Office and with other Departments of the Marshal Office.

The Department carries out tasks pointed by the Board of the Wielkopolska Region acting as the Managing Authority of the Wielkopolska Regional Operational Programme for 2014-2020 within the scope of implementation of the Priority Axis 6: Labour Market, Priority Axis 7: Social Inclusion and Priority Axis 8: Education.

It shapes a comprehensive action policy in frame of management and financing the projects within above mentioned Priority Axes.

The Department for the European Social Fund Implementation also cooperates with the Regional Policy Department on the development of a new regional program, European Funds for Wielkopolska for the years 2021-2027.
